Certifications

- Python Crash Course
  Google Coursera Mar 2025
- Career Edge - Young Professional
  TCS iON July 2024
- PostMan API Fundamentals
  POSTMAN Nov 2023

Achievements

- Winner - Hackathon
  Secured 1st Position in Inter College Hackathon
  Siliguri Institute of Technology April 2025
- 2nd Place - Tech Quiz Competition
  Among 50 participating candidates
  Computer Engineering Society Aug 2024

Hobbies

Photography, Video Games, Listening to Music

Internships

Project Coordinator | WebMarvel.in, Bangalore

Aug 2023 – Jan 2024

- Managed and coordinated multiple web and software development projects, ensuring timely delivery of features.
- Led a team of 25+ developers and interns, improving project efficiency by 40% through structured workflows.
- Assisted in designing backend architecture using MongoDB and Node.js, optimizing database queries for performance.

Social Media Manager | Tann Mann Foundation, Bangalore

July 2023 – Sep 2023

- Developed and executed an SEO-driven content strategy, growing organic reach by 30% and boosting website traffic by 50%.
- Edited and produced video content, alongside creating graphics for posters and banners, enhancing the foundation's online presence.
- Led digital marketing efforts, increasing website traffic by 50% and improving social media engagement by 35%.

Projects

Task Management Web Application | MERN STACK

March 2024

- Built a collaborative task management app, handling 1,000+ tasks, with 95% faster load times due to optimized React.js code.
- Developed an admin dashboard enabling task assignment and real-time status updates for tasks, improving productivity by 35%.

Library Management System | Java, OOP

Dec 2023

- Developed a Java-based library management system implementing Object-Oriented Programming (OOP) principles such as encapsulation, inheritance, and polymorphism.
- Implemented exception handling and file I/O for error-free operations and persistent storage.
- Designed an interactive CLI-based menu system, enhancing usability and ensuring seamless navigation for library admins.

Education

Siliguri Institute of Technology, Siliguri

B.Tech in CSE with AI/ML | 2026 | AGPA – 7.63

Birla Divya Jyoti, Siliguri

CBSE , PCM with CS | 2022 | Percentage – 71

Birla Divya Jyoti, Siliguri

CBSE | 2020 | Percentage – 87

Skills

Programming Languages : Java, C, Python
Databases : MongoDB, MySQL
Software Development: OOP, SDLC, REST APIs
Soft Skills : Project Management, Team Collaboration
